## CONTINGENCY PLANS

Heartland Pump Rental & Sales, Inc. has set itself apart from our competition with one basic idea — SERVICE. We offer to our customers unparalleled 24/7/365 service.

Not only are we there for a customer during an emergency, we offer the service of meeting with a customer, prior to any event, to help them establish a contingency plan in case of emergencies.

Our dedicated sales representatives and staff of engineers, work with you to review all of your needs and offer to you a professional plan for your pump, power and light needs.

This service is great for municipalities, industrial customers with work outages, etc.

Along with the professional plan, we are available to meet with any group at your company or municipality to review with you our services and how we can better help your company remain operational during any emergency.

To schedule a meeting, please call 888-272-7143 and we will direct you to the sales representative in your area. Remember at Heartland Pump — WE'VE GOT YOU COVERED!
