

HEARTLAND PUMP RENTAL & SALES, INC.

DISTRIBUTOR OF GODWIN DRI-PRIME PUMPS

888-272-7143

HDPE PIPE and McELROY FUSION MACHINES

Heartland Pump Rental & Sales, Inc. **knows** HDPE pipe. With a rental fleet of tens of thousands of feet of pipe and sales of millions of feet of HDPE pipe — we have the knowledge and expertise to help you engineer a solution to your piping project.

Heartland Pump can rent or sell, not only pipe, but all HDPE pipe accessories. Including: flange adapters/ backup rings, tees, elbows, reducers, crosses, MJ adapters, electrofusion couplers, etc.

With our fleet of McElroy Fusion equipment, we not only can rent/ sell the items, we have factory trained technicians, that can fully setup and complete any of your pipe projects. We have fusion machines that can fuse pipe from 2”- 36”, with electrofusion machines, extrusion welder, line tamer, and McElroy’s Polyhorse pipe loading system. Our professional staff and equipment, can make your job a success.

Along with pipe and accessories, we are a distributor for JCM repair and saddle clamps. With an inventory range of 4”- 30” for the repair clamps, at our corporate headquarters, we are available to help in any pipe emergency.

For any pricing — sale or rental — please call 888-272-7143 and we will direct you to the sales representative in your area. Remember at Heartland Pump — WE’VE GOT YOU COVERED!

Exciting News for Heartland Pump-

Heartland Pump has committed to opening an HDPE fittings fabrication shop in 2011. With a talented group of factory personnel, we have ordered all equipment needed for the shop, and expect it to be fully functioning by mid year.
