

# HEARTLAND PUMP RENTAL & SALES, INC.

DISTRIBUTOR OF GODWIN DRI-PRIME PUMPS

888-272-7143

## HOSES and FITTINGS

Heartland Pump Rental & Sales, Inc. has the hoses and accessories you need to complete your pumping system project. Whether it is a rental or sale, we stock and maintain a huge inventory of hoses, fittings, manifolds, reducers, strainers, etc. for all of your pumping needs.

We carry Goodyear suction hose and numerous brands of discharge hose with varying degrees of PSI to fit your specific need. We also have a large supply of cargo hose, fire hose, Wilcox hose, hydraulic hose, etc. for rent or sale.

Heartland Pump carries two manufacturers of hose fittings — Bauer and Dixon. The Bauer brand includes fittings from 4”- 12” with the benefit of being able to swivel up to 30 degrees. Bauer Fittings are the main fitting for our rental fleet and we maintain a large supply of both new and rental in stock. The Dixon Camlock fitting is known globally as a hose fitting standard. We not only have the capabilities of shipping to you direct from the manufacturer, we have a large supply of fittings at our corporate office and at each branch office, to help you adapt to any fitting.

Along with hoses and fittings, we also have a large inventory of black pipe fittings and flanges, in large diameter sizes. These items can be used by our fabrication shop to make-up any configuration to help you have a successful job.

For any pricing — sale or rental — please call 888-272-7143 and we will direct you to the sales representative in your area. Remember at Heartland Pump — WE’VE GOT YOU COVERED!
